Price	\$74,999.00
Sales Price	\$69,999.00

Description

Equip Serial No. 24510310

This machine is a mobile electric power source, consisting of a trailer-mounted cabinet containing an electric alternator, a fuel tank, and a diesel engine. A control panel, receptacles, and connection lugs are provided on the side of the cabinet. As the engine runs, the generator converts mechanical energy into electric power. The operator connects loads to the electric power receptacles and connection lugs.
